Newsletter No 1 February 2nd 2023

Dear Families,

Welcome back to the school year for 2023 and I hope all our families had a relaxing and enjoyable holiday as a family. I would like to extend a special welcome to all the new families who have joined our community. We are very glad you have chosen our school and we hope you enjoy your time with us for many years.

WELCOME TO FR DENIS

Fr Denis Stanley has been appointed as our Parish Administrator until Pentecost this year. We would like to welcome Fr Denis to St Patrick's and we hope he enjoys his time with our community.

WELCOME TO NEW STAFF

We would like to welcome Kerrie Presnell (1PC), Bianca Latto (2LM), Millie Harris (2HA), Issy Simioni (4SI), Lauren Cummins (4SC), Jennifer Brown (Art) and Colin Edwards (PE) to our school. We are sure they will be made to feel very welcome. They are great additions to our staff. Attached to this newsletter is a list of the staff and their roles for 2023.

STEM FAMILY EVENING

We will be holding a Maths Family night on **Wednesday 8th February** for all families around the school. This will be an opportunity for parents to meet our class teachers and learn what our children do in STEM by completing some activities with them. There will be also an opportunity for a student to win a prize by scanning the QR codes in the classrooms and automatically entering our draw.

OPENING SCHOOL MASS

We will have our Opening School Mass on Tuesday **7th February at 9:15am**. We would like to invite all families to join us if you can make it to the Mass. The leaders for 2023 will receive their badges at this Mass. There is no photography allowed during the Mass but we will have opportunities for families to take photos of our new leaders after Mass.

STUDENT LEADERS

The Year 6 student leaders will be presented with their badges at the Opening School Mass on Tuesday. The leaders for this year are as follows:

SCHOOL CAPTAINS

Sophia Pipito
Chloe Errante
Oliver Nowak
Pasquale Facciolo

2023 CALENDAR

Attached to this newsletter are all the key dates for 2023. All dates have also been placed on our school website.

SWIMMING CARNIVAL

Our Inter-House Swimming Carnival for Year 3-6 will be held next **Wednesday at 10:00am** at the Bayside Aquatic Centre. Parents are more than welcome to come and support our students. This is another component of our swimming program and another extension to our sport program, which we believe offers many opportunities for the students.

PARENT/TEACHER INFORMATION EXCHANGE SESSIONS

The teachers will be holding information exchange sessions

where parents will have the opportunity to pass on valuable information about your child. These will begin in week 4 on Monday 20th February and Wednesday 22nd February for students from Year 1-6. Students from Year 3-6 will be invited to attend these meetings.

Bookings can be made via SOBS and will open at 9:00am tomorrow morning. Instructions on how to make a booking are in this newsletter.

PREP 2023

It has been great to see our new Prep students enter the school community. They are now completing full days at school. They will have the following Wednesdays not at school: **8th February, 15th February, 22nd February and 1st March.**

They will have an opportunity to have a one on session with their teacher on this day. An email has been sent to all families about this today and bookings can be made via our SOBS program. Bookings will open tomorrow at 9:00am.

2023 SCHOOL FEES

The 2023 school fees are listed in the newsletter. Accounts will be sent home shortly.

LEVEL NEWSLETTERS

Each level newsletter will be sent out via email and Skoolbag today. Please ensure you read this valuable information.

FINANCIAL ASSISTANCE

There is a flier in this newsletter with information for families who may be eligible to apply for financial assistance from the Government. Please contact Ann Easton in our school office if you require more information.

P & F

The P&F will have their first meeting on Tuesday 21st February at 7pm in the hall. All parents are invited to attend.

AMBULANCE FUND

It is important that all families have ambulance coverage for your children. If we have a serious accident or injury at school, we will be calling an ambulance to care for your child. Without coverage, this can become very expensive.

If a child requires medication at school, parents are required to send the completed administration of medication form to school. These can be obtained from the school office when necessary.

OPEROO & SKOOLBAG

For all new families it is important that your child's medical details be updated on Operoo. If you need information on how to access Operoo, please contact the school office.

School information and messages are sent home via Skoolbag and email. This app can be downloaded from the app store.

CANTEEN

The canteen will open on Thursday 2nd February and will operate every Tuesday and Thursday from this date. Orders must be placed via Flexischools. Please ensure you receive a confirmation email that your order has been accepted.

School fees and Charges for 2023

School fees at St Patrick's are family fees – we charge only for one child; we do not charge school fees for any other children who are in the school at the same time.

The basic school fee is \$2,500.00. per annum to be invoiced in full at the beginning of the school year. This is payable by the end of Term 3

Student Levies

Other charges are made for various activities undertaken during the school year. These levies are per child, not per family. Levies are spent directly on the children's needs for curriculum (texts, art materials, photocopying etc.) excursions, diaries, and Sacramental programmes. As children in each class participate in different activities, the levy is different for each class and is payable by the end of Term 1. Please refer to schedule of levies overleaf.

Payment Terms

All student levies and camp fees must be paid by the end of Term 1.

All other fees are to be paid in full by the end of Term 3.

If your family is leaving the school rebates will be calculated to the end of the next school term. No pro-rata term payments will be issued.

Families enrolling once the school year has commenced will be expected to pay an enrolment fee of \$100 plus any student levies prior to commencing at St Patrick's School. No pro-rata term payments will be calculated. Fees will be charged for the full term of commencement.

Payment Options

- Credit Card, EFTPOS, Cheque and Cash are accepted.
- Cheques and Money Orders should be made payable to "St Patricks School".
- The school welcomes online payment of fees. Details are:

BSB: 083 347

A/C 681843694

A/C Name: St Patricks School

Please remember to insert your account number or family name in the reference field to ensure your account is updated accordingly.

- A direct debit plan can also be set up for you for school fees and levies. Please see the school office for necessary paperwork.

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

MORE INFORMATION

For more information about CSEF visit:

<https://www.education.vic.gov.au/about/programs/Pages/csef.aspx>

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools this year.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

PERFORMING ARTS

.....Ann Earle/Performing Arts Leader

Welcome to Performing Arts for 2023! I am looking forward to a great year of creativity as we work towards our Art Show. I wanted to take this opportunity to thank the many students and families who attended our family Christmas Vigil Mass on December 24. The church was filled to overflowing and the students led the singing beautifully. What a magnificent sound it is when the community sings and praises God together! I want to thank Suzan Sadiq for sharing photos of the special evening. If students are interested in joining one of our school choirs they should give their name to Mrs Earle in their music lesson. New members are welcome.

VISUAL ARTS NEWS!

.....*Jennifer Brown/Visual Arts Teacher*

My name is Jen Brown and I am very excited to be delivering the Visual Arts program this year.

The overarching theme this year is 'Be Inspired.' Students will explore the many different ways we can be inspired by art - including through storytelling, through people, places and culture. The Art Show later this year will also reflect this theme.

This term we will be using our artwork and creative expression to complement social and emotional lessons undertaken in the classroom. Our inspiration for this will be through story-telling and using a range of beautiful children's literature to explore values, mindset, gratitude, mindfulness and friendships. Drawing, painting and collage will be central to this term's art focus, before we move onto more complex skills and techniques during the year.

Mindfulness through art and the 'slow art of making' is something I ensure is entwined into each art lesson - an opportunity to be present and focused in a space away from everyday distractions. Students will become more familiar with this throughout the year, as we practice it on a regular basis.

Students can look forward to the optional Art Club throughout the year and I would also love some help in the art room from time-to-time preparing materials. Please keep an eye in the newsletter for updates.

Please ensure art smocks are brought to school as soon as possible and handed to your child's classroom teacher.

I would love donations of the following throughout the year...

- coloured plastic bottle tops
- empty and washed tin cans
- coloured/patterned gumboots no longer needed but still in good condition
- terracotta pots of various shapes and sizes

I look forward to meeting you, the art room is always open so please come and say hello.
